

LUTC LOOK UP TO CLEVELAND

Summer Leadership Academy

Cleveland Leadership Center summer program for rising High School Juniors and Seniors

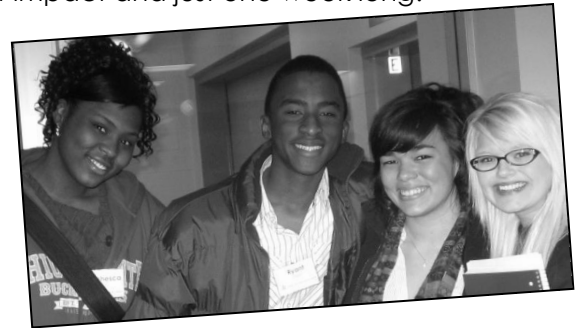

LUTC Summer Leadership Academy Definition:

The Summer Leadership Academy, to be launched in June and July 2011, is built on the successful model of the Cleveland Leadership Center's flagship program. Look Up to Cleveland is a high school development and diversity awareness program with the goal of developing leadership and team building while building a deeper appreciation of our community. Instead of a six-month program, the LUTC Summer Leadership Academy is intense, full of impact and just one week long.

LUTC Summer Leadership Academy Participants:

Rising high school seniors and juniors recruited from from public, private, suburban, parochial and charter schools throughout northeast Ohio are welcome to apply. The recruitment process will allow the Summer Leadership Academy to reflect the same diverse mix that is the strength of the LUTC flagship program.

LUTC Summer Leadership Academy Program:

Students attend five consecutive all-day sessions. Similar to the flagship program, each day covers a theme: Cleveland's Economy, Arts & Culture, Government, and Philanthropy with additional topics around civic vision and leadership training. As in all of the Cleveland Leadership Center programs, the program will encompass five foundational curricular elements: Leadership, Competitiveness, Active Citizenship, Inclusion, and Civic Capacity. Additionally, the program will offer travel to key destinations in Greater Cleveland to expose the students to our community and our leaders.

There will be two one week sessions based at the Hawken School's Sally and Bob Gries Center for Experiential and Service Learning in University Circle:

- **Monday, June 20 to Friday, June 24, from 8 am to 4:30 pm**
- **Monday, July 18 to Friday, July 22, from 8 am to 4:30 pm**

LUTC Summer Leadership Academy Value:

Rising high school seniors and juniors get leadership programming designed with their needs in mind: leadership development, team building, networking, and the exploration of resources and opportunities that make Cleveland a great place to live, work, and play.
