The City of Cleveland's Department of Community Development invites you to provide your input and comments on the plans for spending funds from HUD (totaling over \$27 million in CDBG, Federal HOME Program, Emergency Shelter, and Housing Opportunities for Persons with Aids program funds) to assist low to moderate income people and to revitalize Cleveland's neighborhoods during the Second Action Plan Program Year (2012-2013) of the 5 year 2011 – 2016 Consolidated Plan. These Funds are allocated to support new construction and rehabilitated housing, demolition and nuisance abatement, home repair, human services, land use, storefront renovation and commercial development.
